## Costa Mesa Hotel Information

**CAUTION:** All hotels charge a surcharge on telephone calls. Many of the hotels charge from \$.50 to over \$1.00 surcharge PER MINUTE on direct dialed calls. It is suggested you use a phone card or 800 number to avoid this additional fee.

If you are planning to stay over a weekend, or for an extended period of time, we highly recommend renting a car. Southern California does not have a mature public transit system; therefore, driving is the only way to ensure sightseeing and visits to neighboring cities. **NOTE: Most of our recommended hotels will shuttle to and from FileNet, however they will do only once in the morning and once in the afternoon at pre-assigned times, per our contract with them. If you think you need shuttle service outside of the 8:30 a.m. and 5:00 p.m. designed times, you will need to find your own transportation to and from the hotel.**

Dress for your class is casual business attire. (This is what you would wear on casual day at your office.) Class times are usually 9:00 a.m. to 5:00 p.m. Monday through Friday. **Please check your confirmation letter for exact times.** During your class, if for any reason you are going to be late for class or will not be attending (you become ill, etc.), please leave a voice mail message at (714) 327-3412 (24 hr. day) so that your instructor can be notified.
