**Minutes**

1. **Welcome, Agenda Review**

Gershon Janssen, Chair, presided at the meeting. Bruce Rich, Secretary, recorded the minutes.

The Chair called the meeting to order at 1:05PM EST and took roll call. With all Directors present, the meeting was quorate. The agenda was reviewed and with one addition (RSA staffing), the agenda was approved.

2. **Review of Minutes**

Bruce Rich, Secretary, led the discussion.

The minutes from 22 October 2019 were reviewed. Frederick moved to approve as earlier amended. Paul seconded. The motion was approved by unanimous consent.

Several amendments to both the executive and public minutes for the 5-6 February 2020 F2F meetings were requested, so the those amended minutes will be reviewed next meeting.

3. **Executive Director Hiring Decision**

Gershon Janssen, Board Chair, led the discussion. The discussion was held in executive session. No motions were recorded.

4. **RSA Staffing**

Gershon Janssen, Board Chair, and Carol Geyer, Chief Development Officer led the discussion.

Given the current uncertainty around the COVID-19 risk in public assemblies, the staff were notified that their participation in events like the KMIP interoperability demonstration at RSA would be entirely voluntary. Staff have the right to decide whether to participate or not, without consequence. No motions were recorded.

5. **EU Entity**

Gershon Janssen, Board Chair, and Scott McGrath, Chief Operations Officer, led the discussion.

The staff had provided a draft charter, an overview, a timeline and draft statutes in the meeting folder. Directors had provided comments, and those had been incorporated. The next step is to contract for legal review/feedback from legal resources in the Netherlands. Martin moved, Beth seconded, and the motion passed with unanimous approval. As the initial stage will require some iteration, an ad hoc committee was put in place to assist in developing the Stichting statute/charter for Board approval. Martin moved, Gershon seconded, and that motion passed with unanimous approval. Initial members of the ad hoc committee will be Martin, Gershon and Scott.

6. **Foundation-as-a-Service proposed edits to rules**

Gershon Janssen, Board Chair, and Carol Geyer, Chief Development Officer led the discussion.
Proposed edits to the Foundation-in-a-Box™ materials had been supplied to the board in the meeting’s document folder. Directors’ input had been incorporated. The net is that “Foundation-in-a-Box” becomes “Foundation-As-A-Service™” (no acronyms) and that the document’s readability is improved. No substantive changes to the rules themselves were contained in the proposed updates. Frederick moved to adopt, Jason seconded, and the motion passed with unanimous consent.

7. License CC-0 for Open Projects

Gershon Janssen, Board Chair, and Carol Geyer, Chief Development Officer led the discussion. Materials had been supplied to the board in the meeting’s document folder. This update to the Open Projects license list would remove roadblocks for key contributors. Bret moved to approve, Frederick seconded, and the motion passed with unanimous consent.

8. Action Item Review

Gershon Janssen, Board Chair, led the discussion. The results of the review are reflected in the Action Item section of these minutes. As a number of items were referred to the Governance committee, Bret Jordan requested to be added to that committee. Gershon moved, Bruce seconded, and the motion passed with unanimous consent.

9. Board Elections

Gershon Janssen, Chair, and Scott McGrath, Chief Operations Officer, led the discussion. Scott had provided a draft of the schedule for the upcoming annual elections. The draft was accepted without modification. No motions were noted.

10. Staff Update
