Minutes

1. Welcome, Agenda Review
Gershon Janssen, Chair, presided at the meeting. Bruce Rich, Secretary, recorded the minutes.
The Chair called the meeting to order at 1:05PM EST and took roll call. With 6 of 11 Directors present, the meeting was quorate. The agenda was reviewed and approved as published.

2. Review of Minutes
Bruce Rich, Secretary, led the discussion.
The minutes from 18 February were reviewed. Paul moved to approve as posted. Martin seconded. The motion was approved by unanimous consent.
The amended minutes from the 5-6 February 2020 F2F meetings were reviewed. Martin moved to approve as amended. Paul seconded. The motion was approved by unanimous consent.

3. Executive Director Hiring Update
Gershon Janssen, Board Chair, and Scott McGrath, Chief Operations Officer, led the discussion. The discussion was held in executive session. No motions were recorded.

Scott McGrath, Chief Operations Officer, led the discussion. The discussion was held in executive session. No motions were recorded.

5. Open Projects Rules Update
Martin Chapman, Vice Board Chair, led the discussion.
The staff had requested that some ambiguities in the Open Projects rules be clarified. The heart of the matter was clarifying when an ECLA must be submitted, as well as some other minor edits. The Governance and Process Advisory Committees had both submitted some updates, and staff provided a merged version and redlines. As the drafts were not available seven days in advance of the board meeting, a super-majority motion was made to accept the update as a A-list item (Martin moved, Bruce seconded, and the motion passed with unanimous consent). Martin then moved to adopt the updated Rules, Bruce seconded, and the motion passed with one abstention.

6. Board Elections
Scott McGrath, Chief Operations Officer, led the discussion.
A draft of the Board election notice had been circulated at an earlier meeting. After much discussion, Bret moved to adopt the draft, with a revision to the proposed time allocation expected of directors from “approximately 10%” to “at least 10%”, as well as to correct spelling errors. Martin seconded, and the motion passed with unanimous consent.
7. Action Item Review
Gershon Janssen, Board Chair, led the discussion.
The results of the review are reflected in the Action Item section of these minutes.

8. Board Process Advisory Committee
Gershon Janssen, Board Chair, led the discussion. The topic was committee quorum requirements. The bylaws require a majority of directors seated, and the number of directors seated on the committee is not adjusted frequently enough to allow the preponderance of committee meetings to be quorate. A motion was made to designate some directors to be permanent non-voting members, thus preserving their ability to contribute when present but not impede quorum when absent. Martin moved, Bret seconded, and the motion passed with unanimous consent.

9. COVID-19 Guidance
Gershon Janssen, Chair, led the discussion.
Current recommendations by health agencies, as well as actions by other standards bodies were reviewed. A motion for purely voluntary (no-consequence) staff participation in public events/meetings was made by Bret and seconded by Bruce. The motion passed with unanimous consent. Gershon will draft a notice to be sent out by Scott.

10. Any Other Business
Gershon Janssen, Chair, led the discussion.
The following topics are in the pipeline for further Board discussion/assignment to committees:
- Board transparency
- Having Board committee meetings F2F the day before the full Board F2F
- Reduce the number of committees
- Board working high-level strategic issues and managing macro level finances
- Marketing OASIS
- Utilizing untapped resources among OASIS members
- OASIS TC Process diagram

11. Adjournment
The meeting was adjourned at 3:05PM EST.
