2.2 Safety symbols

The following safety symbols may be used on the analyzer and/or in the manual.

<table>
<thead>
<tr>
<th>SYMBOL</th>
<th>DESCRIPTION</th>
</tr>
</thead>
</table>
| NOTICE | HANDLE WITH CARE  
This notice indicates fragile equipment that should be handled with care to prevent irreparable damage. |
| NOTICE | RECYCLE  
This notice indicates that the analyzer should not be discarded with normal household waste. A label with this symbol, in accordance with European Directive 2002/96/EC, is attached to the back of the analyzer. At the end of its lifetime, the analyzer must be collected separately and disposed of according to locally valid regulations. |
| CAUTION | TAKE CARE  
This caution gives important information that helps preventing personal injuries and/or serious damage to the analyzer and/or the environment. |
| CAUTION | WEAR GLOVES  
This caution indicates that gloves must be worn when performing the described work. |
| CAUTION | WEAR FACE MASK  
This caution indicates that a face mask must be worn when performing the described work. |
| WARNING | BIOHAZARD  
This caution indicates potentially infectious materials. Safety measures must be taken according to locally valid regulations when performing the described work. |
### WARNING

**HOT SURFACE**
This warning indicates a hot surface. To prevent fingers or other body parts from getting burned, the precautions listed in the warning must be taken when performing the described work.

### WARNING

**PINCH POINT**
This warning indicates a pinch point. To prevent fingers or other body parts from getting crushed, the precautions listed in the warning must be taken when performing the described work.

### WARNING

**SHARP EDGES**
This warning indicates a sharp edge or point. To prevent fingers or other body parts from being cut, the precautions listed in the warning must be taken when performing the described work.

### DANGER

**HIGH VOLTAGE**
This danger notice indicates a high voltage terminal. The precautions listed in this danger notice must be taken.
