<https://www.oasis-open.org/apps/org/workgroup/biometrics/download.php/55724/OASISBiometricsTCMeeting25-7April2015.pdf>

[KM] calls for objections to minutes; no objections.

3. WS-BD [RM]

No updates at this time; [RM] states NIST will contribute WS-BD specification to the new TC.

4. BIAS [KM]

[KM] ISO version of bias under FDIS ballot (anticipated close in August). NIST plans to contribute a profile based on the ISO version to the new TC. (This TC is based on the INCITS profile, not ISO).

5. Operational Monitoring & Reporting [BG]

[BG] reported out regarding Allegion (formerly Ingersol-Rand) partnership. [BG] plans on updating OMAR draft. Integration costs will be shared between Optimum Biometrics lab and Allegion. [BG] makes open invitation to be contacted for interest in performance monitoring or participation in OMAR-related work.

[KM] asks if [BG] has plans about OMAR and the new TC. [BG] asks if the project can be "moved" to the new TC. [KM] states that once the new TC is formed [BG] can submit a new work item proposal with a base draft --- essentially re-contributing the work to the new TC.

6. TC / New Business

[KM] introduces Dwayne Bock of U.S. Bank

[DB] of Identity & Access Management group and works with US Internal Revenue Service (IRS).

[KM] gives overview of IPR mode; and the desire for the TC to transition to a TC that operates under RAND as opposed to RF Limited (this TC).

[KM] [CT] and [RM] participated in convener call yesterday. Call for participation is anticipated to be released June 8th and open for two weeks. July 8th will be first meeting of the new TC. Joining on or before July 1 will ensure voting rights.

[KM] proposes having one more meeting after this one, and having a six-month break for this meeting to 'test drive' the new TC. After a hiatus, members would revisit keeping this (Biometrics) TC.

[BG] asks what the IPR mode means in practice. [KM] gave an unofficial interpretation of RF Limited vs RAND. [KM] ISO and INCITS operate under RAND.

[KM] says to look out for announcements on this list and OASIS on how to be engaged.
