[CE] Affiliation is changed to individual, after which the individual may request a leave of absence

## **7. Review of TC Charter**

[KM] gives brief history of TC charter (BIAS, Biometrics TC and Biometric Services TC). Biometrics TC operated under different IPR mode; Biometric Services TC operates under RAND, but otherwise identical charter.

Scope is essentially biometrics & SOA with the exception of that work taking place in INCITS and ISO (unless coordinated with those groups)
