7

7 Introduction

8 This document reports the current status of open issues as of the date published. Specifically it
9 reflects these documents:

10 **draft-sstc-saml-issues-11.doc**

11 **draft-sstc-core-31.doc**

12 **draft-sstc-bindings-model-14.doc**

13 **draft-sstc-conform-spec-12.doc**

14 In addition, discussions on the mailing list up to the date of this document were also considered.

15 The color code used is as follows.

- 16 • Items marked in **green** are recommended to be closed permanently.
- 17 • Items marked in **yellow** are recommended to be closed with a resolution of deferred.
- 18 • Items marked in **red** need resolution before they can be closed.

19 Use Case Issues

20 {All Use Case Issues have been closed or deferred}

21 Design Issues
