

OASIS
Universal Business Language Technical Committee
Hosted by: UN/CEFACT EDIFACT Working Group
Venue: World Trade Centre, Port of Barcelona

The OASIS Universal Business Language Technical Committee (<http://www.oasis-open.org/committees/ubl/>) will be meeting during the EWG Barcelona meeting to progress the work of UBL in developing an XML solution based on UN/CEFACT Core Component methodology. UBL welcomes the opportunity to collaborate with the business experts of EWG. We look forward to sharing our UN/CEFACT conformant core component and business information entity discovery work. We also welcome the opportunity to share our XML naming and design rules work.
