OASIS Conference Opening Remarks

Freddy Dezeure
September 2016

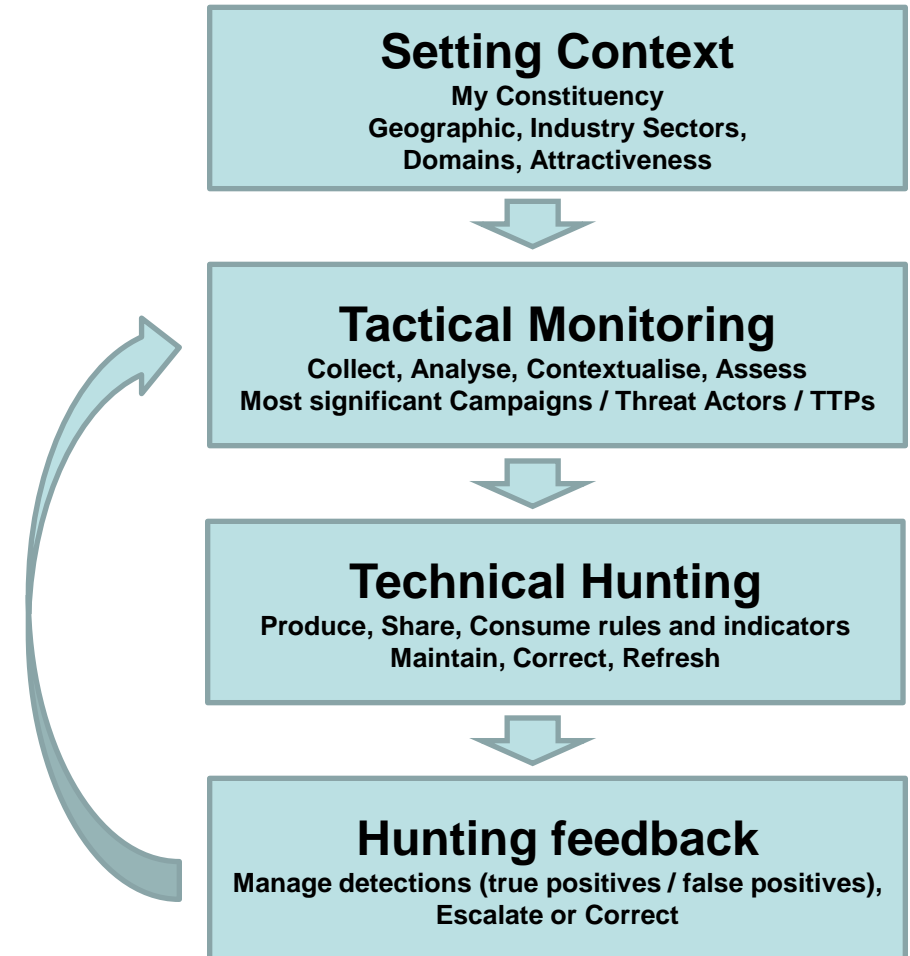

- EU Institutions' own CERT
- Created in 2011
- Operational support to 60 constituents, 100.000 users
- Defence against targeted cyber threats
- Hub of information and skills

Key questions

- Who?
- What?
- Why?
- How?
- When?

Risk management

- Intelligence to serve a purpose
- Not all risks are equal
- Situation is not static
- Process is required
