The members of the OASIS Open Document Format for Office Applications (OpenDocument) TC [1] have requested that OASIS submit the following OASIS Standard:

Open Document Format for Office Applications (OpenDocument) Version 1.2
OASIS Standard

to ISO/IEC Joint Technical Committee 1 (JTC1)" [2] for approval as a proposed International Standard under JTC1's "Publicly Available Specification" (PAS) transposition procedure. OASIS is an approved PAS submitter, accredited by JTC1 to make direct submissions of its final standards that are within JTC1's scope for ISO/IEC approval [3].

The OASIS Liaison Policy [4] requires that management approve or reject the Request as meeting the policy's requirements; if it is accepted, the policy requires that the Request be posted for member review for 30 days, for comment on the proposed terms, before transmitting it to JTC1.
