Tony Cox

Tony Cox
VP of Partners
Alliances and Standards for Cryptsoft

Tony Cox was recognized as OASIS Distinguished Contributor in 2017. VP of Partners, Alliances and Standards for Cryptsoft, Tony has been an active member since 2010, is co-chair of the PKCS 11 TC and the KMIP TC. Tony has served as co-editor of multiple OASIS specifications and is an active volunteer in community building discussions. Tony has served as the moderator and primary organizer of the highly-successful OASIS KMIP interoperability showcase demonstrations and the OASIS PKCS11 interoperability demos at RSA Conferences.
