

Carol Geyer

Carol
Geyer
Chief Development Officer
OASIS

 [geyer_9.jpg](#) [1]

[Carol Geyer](#) [2], Chief Development Officer, helps open source and standards communities thrive in OASIS. She plays a major role in setting OASIS strategy, policy, and program development. She was instrumental in growing the nonprofit from its founding in 1993 to its position today as one of the most respected standards bodies in the world.

Carol's work supports a broad technical agenda that includes cybersecurity, privacy, cryptography, cloud computing, blockchain, IoT, sharing economy, content management, emergency response, and other areas of interest to OASIS members.

Carol is based in Sarasota, Florida, USA.
