Paul Knight (paul.knight@oasis-open.org [2]) serves as a Document Process Analyst, working with the OASIS Technical Committee editors to ensure their documents conform to consortium standards, and helping to improve the tools, templates, documentation, and processes used by OASIS members. Paul has over 25 years experience in IT and network technologies, working with DEC, Intel, and Nortel. He has been an OASIS member since 2005 and served on the OASIS Board of Directors for four years. Since 2000, Paul has worked as a technical contributor, editor, and convener in several standardization organizations, and has served as secretary of an OASIS TC and chair of an IETF Working Group. Paul has a BA in Economics from the University of Tennessee, and is based in Boston.
