

Pim van der Eijk

Pim
van der Eijk
Senior Advisor on Standards
OASIS

Pim van der Eijk (pim.vandereijk@oasis-open.org [1]) serves as the OASIS Senior Advisor on Standards, supporting and expanding OASIS membership in Europe by organizing activities and promoting involvement in technical work. He speaks on behalf of the Consortium at many European conferences and seminars. Pim's extensive experience in SGML, XML and e-business includes technology positions at Excelon, Cap Gemini Ernst & Young and Digital Equipment Corporation, as well as active participation in the Dutch SGML/XML User Group. Pim is based in the Netherlands and speaks Dutch, English, French, German, Portuguese, and Spanish.
