

## OASIS OPEN MEMBERSHIP AGREEMENT: TECHNICAL COMMITTEES

This Agreement establishes your organization's membership in OASIS Open and the terms of your participation in its Technical Committees.

### TECHNICAL COMMITTEE PARTICIPATION

This membership gives your organization the right to be represented on any OASIS Technical Committees and to form new TCs as described in the OASIS TC Process. There is no limit to the number of representatives your organization may designate or the number of Technical Committees you may join.

You agree to the licensing obligations in TCs in which you participate as described by the OASIS IPR Policy for Technical Committees. Some of your licensing obligations may survive the termination of this Agreement and your membership, as more fully described in the IPR Policy. [https://www.oasis-open.org/policies-guidelines/ipr/#types\\_obligations](https://www.oasis-open.org/policies-guidelines/ipr/#types_obligations)

### CONSORTIUM MEMBERSHIP RIGHTS & OBLIGATIONS

As a Voting Member of the OASIS Open nonprofit corporation, your organization is eligible to cast a maximum of one vote in all consortium-wide and governance ballots, regardless of how many Technical Committees, Open Projects, or other activities in which you are engaged. You are entitled to all other member benefits provided by our rules and procedures.

You agree that, while you are a member, you will abide by the terms of the OASIS Open Bylaws and Antitrust Policy, as posted on our website on the date of this Agreement, as well as any amendments approved and posted thereafter. However, those policy terms generally are subject to your right to withdraw from OASIS membership within 30 days of notice of amendments, if you object to them. No changes to those documents will have retroactive effect.

### MEMBERSHIP TERM

Your membership begins when this Agreement is signed by both parties and will renew annually on the anniversary date of this Agreement, pending written confirmation from you and OASIS. You may reactivate a lapsed membership by initiating a new membership subscription and thereby reaffirming your original Membership Agreement.

You confirm that your organization meets the qualifications for the membership category you have selected, and you agree to notify OASIS if you cease to meet those qualifications.

You agree to timely pay the annual dues for your membership category as posted at <https://www.oasis-open.org/join/#membership-dues-tc>

Your membership may be terminated at any time by you (for any reason) or by OASIS Open (for nonpayment of dues or for cause). On termination or withdrawal, any outstanding dues remain payable, and no refund will be made for dues already paid.

Any transfer of your membership requires written consent from OASIS Open and may also require a new Membership Agreement.
